

SAINT ANNE'S TERRACE
MEMO

TO: Residents/Families
FROM: Terri Monroe
Date: January 14, 2021
Subject: COVID Testing

Normal services for housekeeping will resume tomorrow. All of housekeeping staff have now had a COVID test. Only the one employee that I informed you about Tuesday tested positive for COVID. If this employee cleaned your apartment you will be notified today with our plan to get you tested for COVID.

As a reminder, residents need to wear a mask when outside of their apartment and if you are visiting with friends in each other's apartments. This morning a fact sheet from the CDC regarding how to properly wear a face mask was left in your mailbox at your front door. This fact sheet has also been given to staff, sent to the agencies, and sent to your families with this memo.

I found out yesterday afternoon that Briarcliff **will not** be able to administer on COVID vaccines until they receive their next allotment of vaccines. We are still on the CVS list for vaccines as well. Hopefully, I will be given a vaccine date by one of these companies soon. In the meantime, if you decide to get your COVID vaccine elsewhere please inform Terri Monroe, David Brooks or Antionette Sturm at 404-238-09200 or tmonroe@saintannesterrace.org, dbrooks@saintannesterrace.org, asturm@saintannesterrace.org
